RE: Incident at Meredyth Place Office Building

Dear Chip,

On May 5th we had a construction incident on our Sleep Center Project. With the assistance of your employee Joe Teneyck we avoided a major disaster. On behalf of Phoebe Putney Memorial Hospital, please pass along my heartfelt thanks to Joe.

I would also like to thank you for your assistance in acquiring a camera this past week. With you assistance we were able to complete the repairs within the timeframe promised to our tenant.

With Warmest Regards,

David Paul, CHFM
Director of Hospital Operations
