Dear Chip:

I want to once again extend my personal congratulations to you and your firm for your 2006 Outstanding Subcontractor Performance Award from The Winter Construction Company.

We learned a long time ago that we are only as good as the subcontractor, suppliers and vendors with which we team and work with on a regular basis. We appreciate the effort that you and your firm exhibited as we worked together this past year.

The Winter Construction Company looks forward to working with you and your firm on many projects in the future.

Best wishes to you and your family for a great holiday season and a healthy and prosperous 2007.

Sincerely,
